## Corona measures related to the building

- In accordance with the national Corona measures and in order to guarantee the safety distance of at least one and a half meter, at this time, the meeting room can accommodate a maximum of 6 people.
- In the meeting room there is the possibility to open the windows and ventilate the room.
- In the meeting room, by the coffee corner, you can find: hand soap, hand sanitizer, sanitizing wipes and disposable latex gloves.
- The meeting room is accessed via an internal staircase. Please note that the aforementioned staircase is the only way of access to the meeting room, as well as the only way out of the building.  
We cannot therefore provide you with a one-way routing in the building.
- The meeting room is located in a building where there are other offices. Please note that there is the possibility that there are other people inside the building.
- The use of the bathrooms is shared with the other tenants of the building. There are however 3 bathrooms which can be used.
